THE KOLKHOZ OF DEATH

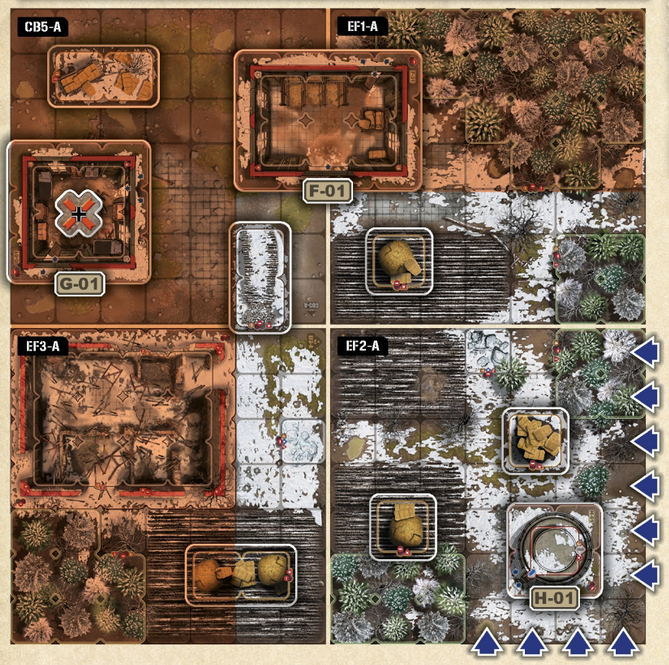

Front: Stalingrad
Army: USSR/German
Date: September 1942
Players: 1-2

SOLO MODE The AI can play either side.

The German army is in danger of being trapped in Stalingrad. It must prepare a way out. A seemingly abandoned Kolkhoz is chosen as the perfect place to install a supply depot. In truth however, the collective farm is still valiantly defended by men of the *138th division*.

A detachment of the *24. Panzer-division* must therefore dislodge these recalcitrant soldiers. Meanwhile, more soldiers of the Red Army are preparing to cross the Volga at Stalingrad...
