SCENARIO

HOUSE OF HELL

The HoS core box is required to play this scenario.

Front: Stalingrad
Armies: GE / USSR
Date: October 1942
Players: 1-2

Scouts from a patrol of the *138th Infantry Division* just found an intact house in which to shelter for the night. As luck would have it, a German unit had exactly the same idea...

BATTLEFIELD, DEPLOYMENT & COMPOSITION OF THE ARMIES

138TH RIFLE DIVISION - 195 POINTS

24. PANZER-DIVISION - 195 POINTS

PREPARATION & VICTORY CONDITIONS

SOLO MODE The AI can play either side. It considers the house as a Primary Objective.

The **Russian player** has the **Initiative**.

- Each player draws **4 Action Cards**.
- The game last **6 Turns**.
- The **Russian player** deploys first in his deployment zone. He must place his **AT RIFLE** on its **concealed** side in the **House** as shown above.
- The **German player** then deploys his units in his deployment zone.

WARNING: You cannot destroy the **House**.

END The **German player**'s goal is to be the only player to have a unit in the House at the end of any Supply Phase. In this case he wins the game immediately.

- **GERMAN VICTORY:** The **German player** is the ONLY one to have a unit in the House at the end of a Supply Phase.
- **RUSSIAN VICTORY:** The **Russian player** has at least one unit in the House at the end of Turn 6. The presence of a **German unit** does not prevent a **Russian** Victory.
- **DRAW:** Neither player has any units in the house.
