GEGENANGRIFF!

FANMADE SCENARIO

We spotted AMI's trying to outflank us. We must slow them down until reinforcements arrive.
They're moving in under cover of ze crops in these fields.
We can't allow them to gain a foothold here. We must chase them away!

Victory Conditions and Particular Information :

The game lasts for 8 turns.
German player has initiative.
Victory points (VP) are only scored by eliminating units.
The side with the most VP wins the game.
Reinforcements:
Reinforcement points (RP):
Both sides must score at least 5 RP before reinforcements arrive.
-US side scores RP by capturing objectives, 3 points for a primary objective, 1 point for a secondary objective. Objectives are considered taken when at least ONE friendly infantry unit and NO enemy unit is adjacent at the end of the Supply phase.
-German side gains 1 RP per turn but loses 1 RP per objective the Americans have taken. Reinforcements are placed in the deployment zones.
-Reinforcement points (RP) have nothing to do with Victory points (VP).
-Neither side scores VP for capturing objectives.
