TWO BRIDGES!!!

FANMADE SCENARIO

"What if we just conquered one bridge and left the other one for the Germans??
"... ???"
"That way everybody would be satisfied... "
"Are.. you.. kidding me???
Get.. moving and take BOTH bridges.. NOW!!!
"Alright! Alright! Company! Form up!
We have orders to take a bridge... "
"TWO Bridges!!!"

Victory Conditions and Particular Information :

-Gain control over both bridges.
-To do so, each side must move across both bridges and gain control over the red objective with the symbol of their army.
-Only infantry can capture objectives.
-The game is over at the end of turn 8 or when either side controls their objective at the end of a supply phase.
-In case of a tie count VP of destroyed units.
-Only when this VP score is still a draw, will the objective in the middle act as tiebreaker and give 10 VP to the side that controls it.
-To gain and keep control over an objective, at least one friendly infantry and NO enemy units must be adjacent to it.

Set up :

Both sides :
-compose a deck of **40 cards**
-draw **4 cards**
-choose extra **troops** and **options** for **up to 95 points**. These **reinforcements** enter at the start of **turn 2**
Determine initiative
