OFFICIAL WEB SCENARIO

CAUGHT IN A TRAP – PART 2

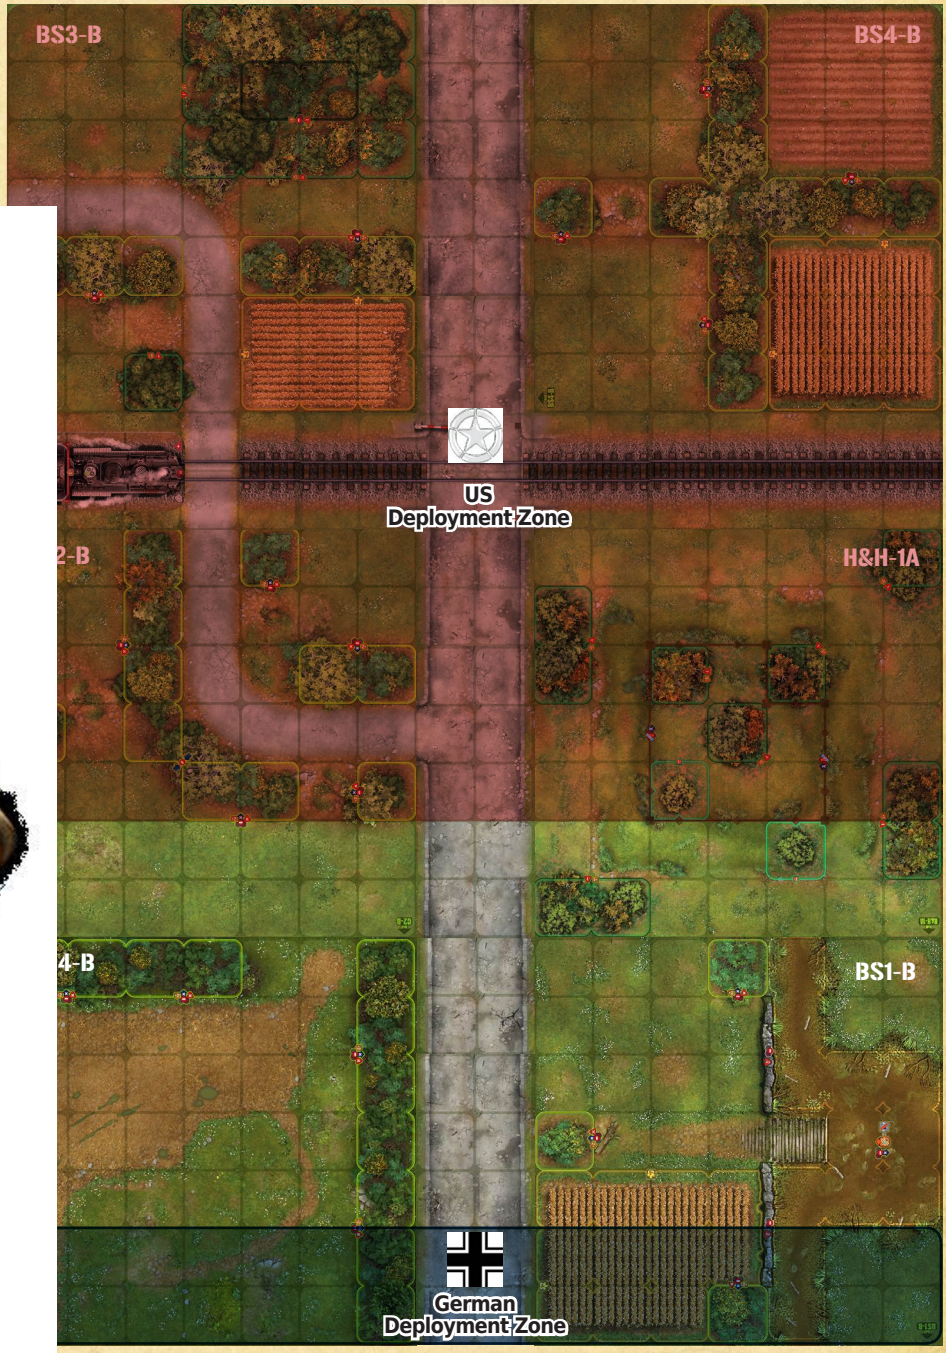

La Pinetiere, 4 km East of Roncey, France, July 29, 1944 :

After they pushed back a company of the 4th US Infantry Division, a Kampfgruppe of "Das Reich", with the aid of about fifteen armored vehicles, has made it to the lines of the US 2nd Armored Division. Supported by two M16, four M10 and two sections of M7, the GI's brace themselves to block the German advance.

US Victory : The Americans win if they can prevent the Germans from having the **3** specifically required types of units across the railroad by the end of turn **8**.

EPILOGUE

The battle was exceptionally violent. The German ranks were severely punished by a hailstorm of 12.7 mm rounds from the Quadmounts combined with the shells from the M7 Priests and 105mm guns. Both sides suffered high losses. As the Americans were running low on ammo, they got close to the breaking point.
