HISTORICAL NOTE

This battle was fought between elements of the 41st Armored Infantry Regiment from the 2nd Armored Division and units from the 3rd SS Panzer Grenadiere Regiment « Deutschland ».

3- PREPARATION

Remove from US deck :
Precision, **Repairs** as well as all **Artillery** and **Aviation** cards.

Remove from German deck :
Precision, **Weak Point** as well as all **Artillery** and **Aviation** cards.
Set aside, face up, the cards : **Advance**, **All terrain**, **Don't Stop**, **Schnell!**

The German player has initiative.
Position the corresponding marker on turn **1**.

Each player draws **4** cards.

4- PARTICULAR INFORMATION

This game is played in **9** turns.

The US player enters their units through any of the squares with an arrow.
Starting in Turn **1**, units show up with an order in the Activation phase or without during the Supply phase.

Once per turn, instead of drawing a card,the German player may choose **1** of the **4** face up cards, set aside at the start of the game, as long as any of these are left.

The German player wins if at least **1** vehicle and **4** other units, any type, succeed in traversing the battlefield and leaving through the right side of the board before the end of turn **9**.

5- VICTORY CONDITIONS

German Victory : The German player wins if at least **1** vehicle and **4** other units, any type, get to exit through the right side of the board before the end of turn **9**.

US Victory : The Americans win if they can prevent the Germans from getting the required troops off the board.

EPILOGUE

The mechanized infantry came to the rescue in the nick of time as the US defense was within a hair's breadth of collapse. The Germans were thrown back with heavy losses : 126 dead and 9 tanks remained on the field. Even though not recorded, the Americans suffered equally heavy losses. As a result of this battle, only a few isolated groups of Germans made it out of the Roncey pocket.
