7H DU MAT' LES PIEDS DANS L'HOC

1- BATTLEFIELD AND DEPLOYMENT

2- ARMY RECRUITMENT

3- PREPARATION

The american player places the following landing craft on the board as shown on the battlefield: Large **1-2**, Large **3**, Small **4** and Small **5-6**.

Place **2** secondary objectives and **1** primary objective..

Remove, from both decks :
all Artillery and Aviation cards, Don't stop, Hit and run, It bounced right off it, Ram, Repairs, Surprise, Weak point.
From German deck : Booby trapped.

German side is deployed first in the appropriate zone.
The Americans deploy in the four landing craft.
American player starts with initiative.
Place the American marker on turn **1**.

Each player draws **4** cards.

4- GAMEPLAY

This game is played in **8** turns.
The American side must control the primary objective before the end of turn **8**.

POINTE DU HOC

If the American player controls both secondary objectives before the end of turn **8**, a campaign bonus will be granted for the second scenario.

5- VICTORY CONDITIONS

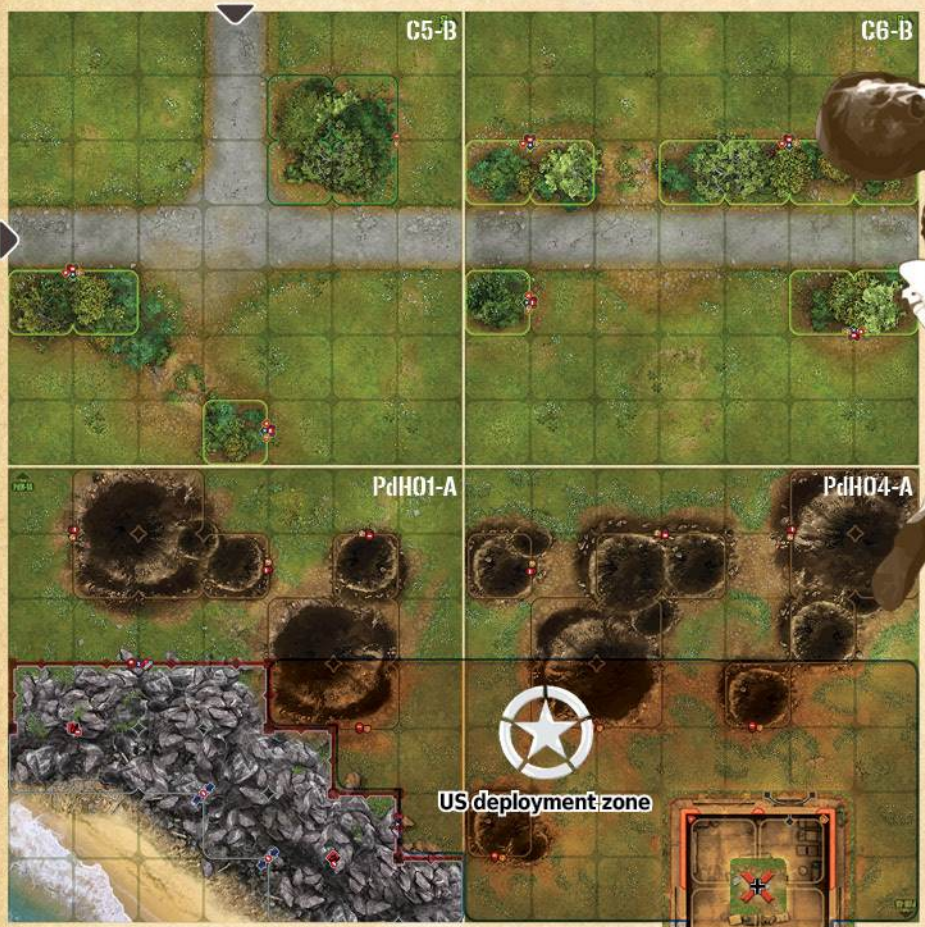

American victory : If the American player controls the primary objective before the end of turn **8**.

German victory : The German side wins if the American player does **not** control the primary objective before the end of turn **8**.

SCENARIO 2 - BRIEFING

NOW WHAT ?

1- BATTLEFIELD AND DEPLOYMENT

2- ARMY RECRUITMENT

3- PREPARATION

Place **1** German primary objective as shown on the battlefield.

Remove, from both decks: all Artillery and Aviation cards, Don't stop, Ram, Repairs, Surprise, Weak point.
From American deck: Hit and run, It bounced right off it.
From German deck: Booby trapped.

American player deploys first in the appropriate zone.

POINTE DU HOC

If the American player managed to control both secondary objectives in the previous mission, all US units start the game with the Scout 3 special ability.

The german player deploys his units OFF MAP (see Civilians under Fire scenario booklet) and their troops enter by spaces marked with grey arrows.

The American player has **6** Ammo tokens. These must be distributed **up to 6 of his units**, and with **a minimum of 1 Ammo token per unit**.

German side starts with initiative.
Place the German marker on turn **1**.

Each player draws **4** cards.

4- GAMEPLAY

This game is played in **6** turns.

The German side must control the primary objective before the end of turn **6**.

A unit without ammo token has run out of bullets and can not shoot.
Any unit with an ammo marker that performs a firing action discards one ammo token and gets the bonus for it.
This has no effect on flamethrowers or mortars.

5- VICTORY CONDITIONS

German victory: If the German side controls the primary objective before the end of turn **6**.

American victory: The American side wins if the German side does not control the primary objective before the end of turn **6**.
