SCENARIO FFI - BRIEFING

DESTROY THE CONVOY...

The landings are a fact. The Germans are trying to send their forces to the Allied bridgehead to mount a counterattack in their effort to push the enemy back into the sea. We have been asked to do whatever we can to delay the German convoys. Our main goal is to render the opponent's vehicles useless... any enemies made "unfit for duty" in this process are of course a welcome bonus...

1- BATTLEFIELD AND DEPLOYMENT

2- COMPOSITION OF THE ARMIES

The German player can use up to **250 pts** to compose an army. At least **3** light vehicles with the Special Ability Transport must be selected. **1** or **2** of the light vehicles may be replaced with Zündapp(s) as long as the total Transport capacity suffices to convey the entire Army.

The Convoy:
The German player is not compelled to assign light vehicles to recruitment tile slots and is thus allowed to disregard any colour codes when choosing troop carriers.
Heavy vehicles cannot be chosen.

The French player can use up to **225 pts** to compose an army. Light vehicles cannot be chosen.

Ambush:
The French player may choose Tricky and/or Concealed yet is not compelled to assign these options to recruitment tile slots.

3- PREPARATION

The FFI player uses the US or Commonwealth order tokens and cards.

Remove from the chosen deck :
Don't stop, Ram, Hit and Run, Weak point, It bounced right off it, Repairs and all **Artillery** and **Aviation** cards.

Remove from the German deck :
Ram, Hit and Run, Weak point, Repairs and all **Artillery** and **Aviation** cards.

The German player deploys first and can opt to deploy none, some or all of the infantry units in the appropriate zone. Light vehicles are not placed on the map yet.

Light vehicles and undeployed infantry may enter the game with an Order in the Activation phase or during the Supply phase through the squares denoted by a black arrow.

It's up to the player whether or not the undeployed units enter all at once in the first turn.

The FFI units are deployed in the appropriate zone.

The German player has initiative, place the initiative marker on Turn **1** of the turn track.

Each player draws **4** cards.

4- PARTICULAR INFORMATION

This game is played in **6** turns.

To keep the Germans from getting at least **3** vehicles off the map the board through the squares denoted by a red arrow before the end of Turn **6**, the FFI player must prevent the passage of the vehicles or destroy them.

Normandie Sun :
Recent rainfall has turned the ground into a glutinous muck. Any light vehicle that does not use at least **3** road squares when taking a *movement action* loses **1** Movement point.

END The game ends at the end of Turn **6**.

5- VICTORY CONDITIONS

FFI Victory : The FFI player has succeeded in preventing the passage and/or the destruction of at least **3** German light vehicles by the end of Turn **6**.

German Victory : The German player wins the game if FFI victory conditions are not met by the end of Turn **6**.
