SCENARIO 6 - BRIEFING

THE GOODS, THE BADS AND THE BLEEDINGS

« Lieutenant Clint, we need to find westerns, in one of the isolated houses. Those movies are of great importance to the morale of the troops. This mission is therefore of paramount importance. But don't go thinking it'll be a walk in the park. Your archenemy, the infamous brute, Major Gruber has the same mission. Oh, one more thing : no surrenders."

1- BATTLEFIELD AND DEPLOYMENT

2- COMPOSITION OF ARMIES

3- SETUP

Without looking, randomly select **2** Bonus Tactics markers and place them on the Battlefield.

Remove all the **Artillery** and **Airstrike** cards from both decks.

The units from both armies will be put outside of the map and will enter via the Order tokens during the 1st turn (and at the end of the Supply phase).
This does not include orders from Oddball and Otto, as they do not enter play unless collected.

The initiative is randomly determined.
Thus the player with the initiative deploys first.
Place the corresponding marker on space **1** of the turn counter.

Each player draws **4** cards.

4- PLAYING THE GAME

The game lasts **8 turns**.

Players have to get one of their units with the film (Micro marker) out by their deployment zone.

The 2 secondary objectives provide Otto for the German player and Oddball for the American player. They may enter play once the objective is collected via their deployment zone during the Supply phase.
The objectives are recoverable only by Infantry units.

Orders: During the 1st round, the German player has 5 Order tokens. The American player has 4 Order tokens + Clint's Autonomous special ability.
They will gain an additional Order once they recover their respective hero (Otto for Germans / Oddball for Americans).
Each player has 2 Bluff tokens during the entire game.

5- END OF GAME AND VICTORY

Films placed in the home is the main objective. Players must take it and get it out by his deployment zone in order to have a major victory. If, at the end of turn 8, no one leaves the battlefield with films, so players count the victory points. Whoever has the most victory points off the other gains a minor victory.

« Be especially brutal and make your opponent bleed.»
Général Raymond O. Barton (1889 – 1963)
