SCENARIO 10 - BRIEFING

THE BRIDGE ON THE RIVER ROER

The advanced position of the 6th division were destroyed by incoming German forces. To prevent their advance we have to blow up the bridge on the Roer. During the retreat a group of engineers left their equipment, but they hadn't enough explosive to destroy the bridge, so find something to make a Big Bang !.

1- BATTLEFIELD AND DEPLOYMENT

2- COMPOSITION OF THE ARMIES

Group 1

Group 1

Group 2

3- SETUP

Without looking, randomly select **3** Bonus Tactics markers and place them on the Battlefield.

Remove all the **Artillery** and **Airstrike** cards from the American deck (except the one for the **Airstrike +1** recruitment option).

Remove all the **Artillery** and **Airstrike** cards from the german deck (except those for the **Artillery +2** recruitment option).

The American Player deploys his Group 1 in his corresponding deployment zone. The German Player deploys his units in his deployment zone.

The american player assigns the **Detonator** to one of his units.
Place the **Gas** and the **Dynamite** in the houses as seen on the map.

The german player has the initiative.
Thus he deploys first.
Place the corresponding marker on space **1** of the turn counter.

Each player draws **4** cards.

4- PLAYING THE GAME

This game lasts **8** turns.
The American Player must, before the end of the **8** turn, bring the **Dynamite**, the **Detonator** and the **Gas** on the bridge.

In order to reclaim an item, you must stop on one of the spaces adjacent to its interspace. If the unit carrying one of the items is eliminated, it drops the object it was carrying on an adjacent interspace of his choice.

For this game, German Tanks cannot stop on the Bridge. If they move on the bridge, they remain on their side, or overtake it.

Turn 3 : During supply phase, the American deploys his 8th rifle platoon (Group 2) in his corresponding deployment zone.

5- END OF GAME AND VICTORY

If at the end of a supply phase, the Dynamite, the Detonator and the Gas are simultaneously present on the bridge, and the American player has at least one unit there, a German unit, present or not, he wins the game.
