SCENARIO

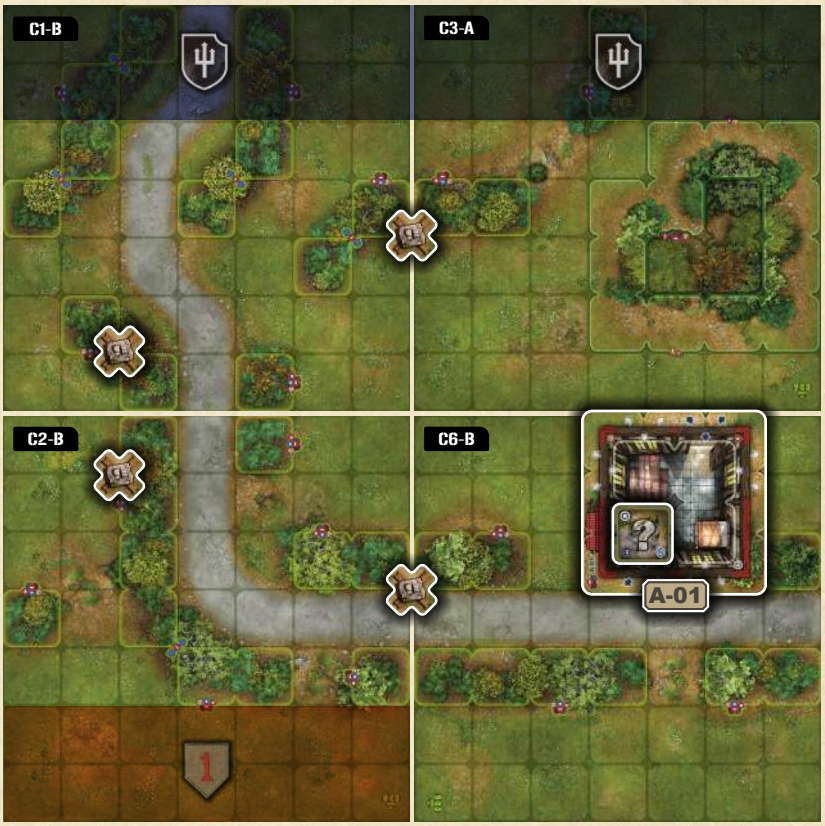

SLAUGHTERHOUSE (5)

The HoN BRO core box is required to play this scenario.

Front: Normandy
Armies: GE / USA
Date: July 1944
Players: 1-2

Scouts from a patrol of the *1st Infantry Division* just found a house to spend the night in before continuing their trek. As luck would have it, a German unit had exactly the same idea...

BATTLEFIELD, DEPLOYMENT & COMPOSITION OF THE ARMIES

1ST INFANTRY DIVISION - 185 POINTS

2. PANZER-DIVISION - 190 POINTS

PREPARATION & VICTORY CONDITIONS

SOLO MODE The AI can play either side. It considers the house as a Primary Objective.

1 **The American player** has the **Initiative**.

Place **4 Tactical Bonuses**.

- Each player draws **4 Action Cards**.
- The game last 6 **Turns**.
- The **A. player** deploys first in his deployment zone. He must place his **RECON TEAM** on its **concealed** side in the **House** as shown above.
- The **German player** then deploys his units in his deployment zone.

WARNING: You cannot destroy the **House**.

END **The German player's goal is to be the only player to have a unit in the House at the end of any Supply Phase. In this case he wins the game immediately.**

- **GERMAN VICTORY :** The German player is the ONLY one to have a unit in the House at the end of a Supply Phase.
- **AMERICAN VICTORY :** The American player has at least one unit in the House at the end of Turn 6. The presence of a German unit does not prevent an American Victory.
- **DRAW :** Neither player has any units in the house.
